Most Venerable Jade Emperor of the Heavenly Golden Palace (3x times)
Please bless my offering with your Divine Energy and multiply it sufficiently so all my Ancestors and Spirit Guides from my current lineage and all of my past life lineages can use it to settle ALL their outstanding accounts and dissolve all their negative Ancestral Karmas.

Please bless my offering with the power to cancel and destroy all contracts, technologies, rituals, unfulfilled promises, and agreements; and break every chain and shackle that keeps any of my Ancestors and Spirit Guides in bondage.

Please open all the gates that block them, heal them, cleanse them, set them free, and grant Liberation to my entire Ancestral Lineage. Please dissolve all generational curses and negative bonds between myself and all my Ancestors & Spirit Guides.

Most Venerable Highest Jade Emperor of All-Embracing Sublime Spontaneous Existence of the Heavenly Golden Palace please grant me these favors.

I ask all my Ancestors and Spirit Guides to please forgive me for anything that I may have done in any of my past lives or present life that could have created any bondages between us. BASIC PRAYER GUIDELINES

1. Before saying the prayer, light 3 incense, then go outside and look up at the sky and address the Jade Emperor 3 times as follows; ***"Most Venerable Jade Emperor of the Heavenly Golden Palace"***
2. Return to your Altar, and then recite the prayer then offer a flower or fruit to the Jade Emperor, then burn Ancestor Money for your Ancestors after saying the Prayer.
3. Put fresh water every day on the Ancestral Altar. If you run out of Joss Paper or Ancestor Money, you can make food offerings to them. Just have a special plate and cup for your Ancestral offerings. You can put a little Patchouli oil, Dragon Blood Oil, Honey or anything else that you believe will give more value and energy to the offering.
4. You can also use this basic prayer while offering fruits or food to your Ancestors and Spirit Guides. Sincere intention while burning/releasing your offering into the universe is the most important.
5. Say any prayer or mantra while burning the offering to give it more value and energy for your Ancestors. (As described in how to bless Ancestor Money)
6. Some Chinese practice or putting a few joss stick at the entrance to their homes and business, and walking through every room in the house with the three lighted Joss Stick after prayer in the morning, this is believed to attract wealth into the house.
7. Life can be challenging, always be respectful when addressing the Ancestors and Spirit Guides. Instead of blaming them for your problems (including Generational Curses etc.) Ask the Ancestors and Spirit Guides for understanding and solutions to your current situation and how to connect with your higher-self.

Meaning for the Mantras and Sutras in DNA Art

JADE EMPEROR MANTRA

(玉皇赦罪天尊)Yu Huang She Zui Tian Zun.

English translation: Jade Emperor snake-mouth most honored

This mantra is used to seek blessings & forgiveness from the Jade Emperor

Anytime you get your prayers answered or get lottery winnings, make merit to the Jade Emperor and honor him by donating a small portion of your winnings to feed the poor and under-privileged in society via a “Thanks-Giving” etc. Do not get greedy and abuse this mantra by reciting it with the wrong intention or it will cease to work.

OM HANU PHASHA BHARA HE YE SVAHA

Merely seeing this mantra purifies 100 million eons of negative karma. This is said by Buddha in the sutra,

OM PADMO USHNISHA VIMALE HUM PHAT

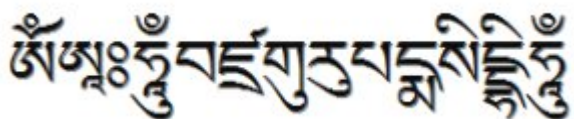

Whoever sees, hears, remembers, or touches or recites this mantra will be purified of all negativities from 1,000 eons and gain freedom from rebirth in the lower realms.

When these 2 mantras are chanted at least 108 times per day, over time they can help you achieve your goals, dissolve negative energies and remove a life time of bad luck, plus many more benefits.

It is said in the Kutagara Sutra that if the crown of one's head passes once beneath this mantra, the misdeeds of a 1,000 eons will be purified; it is said in the Forceful Waterfall Sutra that seeing this mantra purifies the negative actions and the misdeeds of 300 million eons.

This is another earlier form of the 2 mantras above.

The Vajra Guru Mantra

Om Ah Hum Vajra Guru Padma Siddhi Hum

This mantra is associated with Padmasambhava. Scripture says if you will recite this mantra a hundred times in a day without interruption, you will become attractive to others and without any effort, you will get food, wealth and all that is necessary in life. Reciting this Mantra will also protect you from all negative forces, disease and famine etc.

ALTERNATIVE ANCESTOR VENERATION METHODS THAT DO NOT REQUIRE JOSS PAPER

This is just basic information on these 3 other types of Ancestor Veneration. I implore everyone to do their own research. Seek out people who are masters in the respective areas that you choose to learn. Most masters will give proper guidance freely, but I urge you to still give a donation to support their temples.

In the Original Vows of Kṣitigarbha, chapter 13, it states that if you recite liberation mantra 1,000 times per day for 21 days, even if your Ancestors are cast into evil realms Kṣitigarbha will help relieve their suffering.

Kṣitigarbha is referred to as Jijang Bosal in Korea, Sa Yi Snying Po in Tibet, Dia Tang in Vietnam, Jizo Sama in Japan and Dayuan Dizang Pusa in China. In Japan, Jizo Sama has a special method outlined to help women mourn the loss of an aborted baby.

There are also ceremonial services for children who die young, still born or aborted. He is also known for having special hiding places in his robes to carry the souls of lost children to higher realms.
